Here's what our extensive bed sheet range includes: Cotton Sheets Our cotton sheeting is made of pure and natural materials that make them exceptionally breathable. They absorb body heat throughout the night, allowing you to feel dry and cool. It also keeps you warmer during the winter by retaining optimal temperatures. Supima Cotton Sheets If you want to buy sheets with premium cotton, Supima should be your go-to choice. It's a superior cotton type, featuring long fibres that provide the material with premium properties: unmatched strength, colour retention, and softness. Percale Sheets Lorraine Lea is renowned for a fantastic assortment of Percale sheets. They are very popular due to their breathability, durability, smoothness, and crispness. Additionally, you can wash them numerous times without compromising the fabric quality, making for an outstanding catalyst to good sleep. Flannelette Sheets Don't forget to check out our flannelette sheets, too. They keep you cosy during the night since the material features warm air pockets between the mattress and sheets, trapping heat continuously. Moreover, flannelette sheets are super comfortable and ultra-soft. They are made of loosely spun cotton, adding extra thickness. However, this doesn't hinder the lightweight and breathability nature of the material, providing you with the best of both worlds. Say goodbye to sleepless nights with Lorraine Lea sheets. Choose your ideal material, and you'll take the comfort of your bed to the next level. The Prestigious event was primarily sponsored by the Sterling Asset Management and CPJ (Caribbean Producers Jamaica). It was a very close and thrilling competition in both semi-finals and finals, but the tremendous amount of \$300,000 was eventually taken by Macbeath, who had won in the past the 2007 and 2009 Strawberry Hill tournaments. The World's Most Extravagant Backgammon Set 06.13.12 Some of you have probably encountered publications regarding super expensive backgammon sets. Until recently the most expensive set on the market was made by Carbofan company, priced \$25,260. Sounds imaginary? Well, an average person is willing to accept exaggerated prices when it involves art. For example, Charles Hollander collection includes a custom made backgammon set, designed by the artist Bernard Maquin, which is made of more than 60,000 diamonds and a lot of gold. But commercial items are expected to be cheaper.Geoffrey Parker's reputable company has managed to exceed Carbofan's impressive figure, and raise the 5 digits number to a 6 digits one. The new hand-crafted backgammon set, made of gold and diamonds is offered for sale for the humble price of \$387,890! Is someone interested?
